

(Washington, DC)- Congressman Tim Ryan (OH-17) is proud to announce that **\$11,287,000** in federal investments have been appropriated for the 17th District. The money will go towards 27 separate education, health, transportation and public safety programs that will help improve the quality of life for residents of Northeast Ohio.

“In order for us to attract and grow new jobs to our community, we need to show employers that our region’s leaders will be an active partner in the community. That means good roads, innovative education programs, a healthy community and a good infrastructure. I am committed to seeing our vision come together.” said Congressman Tim Ryan. □

A list of the projects that have been added to the appropriations bills for consideration of the full House of Representatives can be found below. In addition to House floor consideration, the three bills still require passage in the Senate and require the President’s signature before becoming law.
